May 17, 2021,

To whom it may concern:

It gives me pleasure to write this recommendation letter for Ms. Andrea Kuchta. I've come to know her, during the past 2 years, as a third grade teacher here at Bowling Green City Schools.

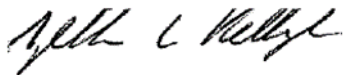

Ms. Kuchta is a dedicated educator, who is constantly looking for ways in which to improve her classroom. She brings passion and enthusiasm to her classroom and students. I find Ms. Kuchta a creative and clever teacher who establishes positive relationships with colleagues to promote a positive culture within her community and school.

I found her to be hard working, having expert knowledge of the content area she teaches. She is conscientious of the students she teaches and has a genuine love for her students. Andrea is always looking for ways to make her students experiences more equitable in her classroom. She values the families and students she works with by incorporating 21st century skills in her teaching while providing real life connections. She models a diverse, differentiated classroom that has her students working in small groups and as individuals.

Moreover, she brings a level of enthusiasm and excitement for our school community rarely seen. She continually collaborates with her colleagues and maintained positive relationships and communication with parents. Andrea is a leader and an ambassador member of Ohio's New Educators. In her short time here at Crim she was also selected to be a member of our schools Building Leadership Team and our District Leadership Team because of her creativity and ingenuity.

I firmly believe that whatever task you give to Andrea, she will succeed and out-perform your expectations. She is an asset, an amazing teacher, and outstanding citizen within the Bowling Green Community. Please feel free to contact me at (419) 354-0400 Ext 4401 or zkellough@bgcs.k12.oh.us should any additional information be required.
